# LIFE IS BEAUTIFUL

And WORK is beautiful in this storied and stunning building on Longmont's main street. With two suites available for lease, you can have either, or both! The main floor, Suite 100, offers a gorgeous restaurant for lease in the style of a parisian brasserie - complete with a hand-built bar and 500 square feet of trottoir (patio) for that sidewalk cafe experience. The second floor, Suite 200, offers an exquisite, large office space with a massive skylight and an exceptional mix of private offices and open work areas. Both have charming ceramic ceilings and architectural flourish. Truly a must-see. Are you ready for la belle vie?
